

The next (bi-annual) Neptunus weekend will be in 2019. This is a prelube to EuroHash 2019 and will take place at **Castle the Berckt in Baarlo**; a small village in the south of the Netherlands near to Belgium and Germany.

Some of you might remember this location: it was also the venue for Euro Hash 2011 and Pre-Lube for the Brussels Beer Odyssey 2014. Now with even nicer rooms, beds and facilities.

This event will take place on 9-10-11 August, this is the weekend before EuroHash 2019.

*But there is news! The event has been upgraded to DutchNashHash2019 **Yeah!!!***

~~Early Bird Price is € 145 for the first 30 who sign up.~~

~~For now we will call it a Neptunus Weekend!
 It could turn into a Danish Nash Hash (Huh?) or something~~

What can you expect from a ~~Neptunus Weekend~~ DutchNashHash?

Probably the biggest Fuck Ups you ever experienced because Neptunus is still in charge! Sometimes we think he does that on purpose! Because people always

remember the bad things! And he wants to be remembered! Neptunus loves to solve problems.
